HIKVISION

What's New?

DS-2CD2xx3G2

DS-2CD2xx3G0/G1

Compared to earlier generations, Hikvision's EasyIP 2.0+ Network Cameras with AcuSense (DS-2CD2xx3G2) feature:

Motion Detection 2.0 with AcuSense

Better Imaging Performance

Improved Water Resistance

More Models with Built-in Mics

Motion Detection 2.0 with AcuSense

Motion Detection 2.0 adds a touch of intelligence to conventional motion detection. In version 2.0, Hikvision's AcuSense Technology for precise human and vehicle identification retains the original agility of motion detection while vastly improving its accuracy.

Focused

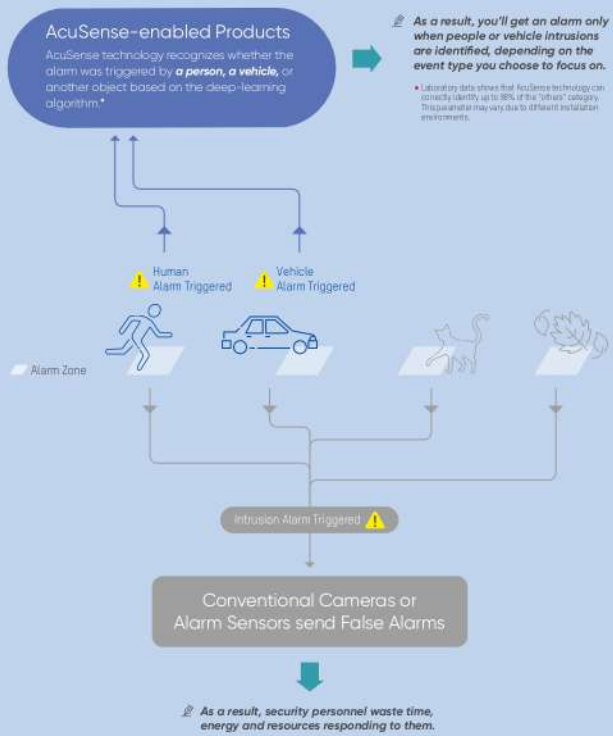

Concentrate on human and vehicle events

Efficient

Quick target searches for human or vehicle events

How is AcuSense different

Better Imaging Performance

EasyIP 2.0+ Network Cameras with AcuSense provide sharper details and better WDR performance.

Ease of Use

The AI-powered human & vehicle identification is ON by default. You can enjoy the convenience of smart features with no extra installation or configuration effort than using a traditional CCTV camera.

HIKVISION

Where can They be Used?

EasyIP 2.0+ Network Cameras with AcuSense are well-suited for a variety of applications where users are looking for excellent imaging, affordable AI features, and an abundance of options.

Calling all Hikvision distributors and installers!

By delivering innovative, AI-powered security features at an affordable price point, AcuSense helps Hikvision installers and distributors to sell more, and deliver even more value for customers. This helps all our installers and distributors to build stronger, longer, and more profitable customer relationships.

As an additional benefit, AcuSense-enabled cameras are as easy to install and configure as traditional CCTV cameras, so installers can begin delivering this exciting new technology for customers quickly, and with minimal training. Hikvision also provides all the information and support needed to get started quickly!

For more information on the benefits of Hikvision AcuSense for installers and distributors of Hikvision products, please contact us today.
